***THIS TRANSMITTAL CONTAINS IMPORTANT INFORMATION THAT IS OF INTEREST TO THE BENEFICIAL OWNERS OF THE SUBJECT SECURITIES. PLEASE EXPEDITE RE-TRANSMITTAL TO SUCH BENEFICIAL OWNERS IN A TIMELY MANNER.***

**NOTICE TO THE HOLDERS OF SECURITIES, NOTES OR CERTIFICATES**

issued by those certain residential mortgage backed securitization trusts listed on Schedule A hereto (each a "Transaction" and collectively, the "Transactions")

**NOTICE OF BANKRUPTCY FILING BY RESIDENTIAL CAPITAL, LLC AND CERTAIN AFFILIATED ENTITIES AND POTENTIAL DEFAULT**

**(Notice Date: May 30, 2012)**

---

In respect of each Transaction, Residential Capital, LLC ("ResCap") and/or its other affiliated entities serves in one or more capacities, and U.S. Bank National Association, serves in one or more trustee or other agency capacities (the "Trustee"). This notice is intended for those persons or entities that hold a security, note, or certificate issued in connection with a Transaction (collectively, the "Notice Recipients").

**Bankruptcy Filing of Residential Capital, LLC and Certain Affiliates**

Please be advised that on May 14, 2012 (the "Filing Date"), ResCap, together with certain affiliated entities (collectively, the "Debtors") filed voluntary petitions for relief under Chapter 11 of the U.S. Bankruptcy Code (the "Bankruptcy Cases" or the "Cases") in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") before the Honorable Martin Glenn. The Debtors' Bankruptcy Cases are jointly administered for procedural purposes only under In re Residential Capital, LLC, et al., Case No. 12- 12020 (MG).

The Debtors filed various motions to authorize them to continue to conduct their businesses in the ordinary course during the Bankruptcy Cases, including filing several motions seeking authorization to continue to operate their mortgage servicing and origination business in the ordinary course at the Debtors' sole discretion and subject to available funding. The Bankruptcy Court entered orders granting these motions on an interim basis and scheduled hearings to consider the entry of final orders. **For more information regarding the motions, orders, and hearings, please see "Bankruptcy Information" below.**

Please note that the Debtors' bankruptcy filings may have triggered one or more defaults in connection with the Transaction, which may include a servicer default. The Trustee will continue to analyze if any such defaults have occurred and the respective rights, if any, of the Notice Recipients and the Trustee in connection with any such default.

### **Plan Support Agreements and Plan Term Sheet**

In connection with the Debtors' proposed plan of reorganization (the "Plan"), a copy of which has yet to be filed, the Debtors have executed and filed with the Bankruptcy Court three plan support agreements (collectively, the "Plan Support Agreements") with various parties (collectively, the "Plan Support Parties"). These include a settlement and plan sponsor agreement with Ally Financial Inc. ("Ally"), the parent company of ResCap (the "Ally Settlement Agreement"); a plan support agreement with holders of residential mortgage backed securities, including some Transactions (the "RMBS Trust Plan Support Agreement"), and a plan support agreement with holders of approximately 37% of ResCap's outstanding junior secured notes.

Under the terms of each Plan Support Agreement, the Plan Support Parties have agreed to support the restructuring of the Debtors as contemplated by that certain plan term sheet filed with the Bankruptcy Court (the "Plan Term Sheet"), including the acceptance and confirmation of the Plan and the sale of substantially all of the Debtors' assets.

### **Ally Settlement Agreement**

Pursuant to the Ally Settlement Agreement, Ally has agreed to, among other things, (a) make at least a \$750 million cash contribution to the Debtors in order to fund the settlement of pending and future claims and secure certain releases, (b) act as a "stalking horse" bidder for certain assets that the Debtors are seeking to sell in the bankruptcy (discussed below), (c) provide up to \$220 million of debtor-in-possession financing to the Debtors, and (d) continue providing loan origination support to the Debtors until the Debtors' loan origination and servicing business is sold.

In exchange for Ally acting as a plan sponsor, the Ally Settlement Agreement proposes to release all claims and causes of action of the Debtors against Ally. In addition, under the Ally Settlement Agreement, all causes of action by any holder of claims or interests against Ally, as well as the members, directors, officers and affiliates of Ally and the Debtors (including those related in any way to the Transactions), will be fully discharged and released. The proposed discharge and release may affect the rights, if any, of the Notice Recipients relating to the Transaction.

Pursuant to the Ally Settlement Agreement, the Debtors must file a motion with the Bankruptcy Court seeking the approval of the Ally Settlement Agreement by June 15, 2012.

### **RMBS Trust Plan Support Agreement and RMBS Trust Settlement Agreement**

The RMBS Trust Plan Support Agreement constitutes an agreement between Ally and certain institutional investors, and authorized investment managers for investors, holding, according to the Debtors, at least 25% of at least one class in each of 293 securitizations (each, a

“Securitization” and collectively, the “Securitizations”) backed by mortgage loans held by covered trusts (the “Settling Investors”), and may include investors in one or more of the Transactions. The RMBS Trust Plan Support Agreement requires that participating Settling Investors support the Debtors’ restructuring, as set out in the Plan Term Sheet. The RMBS Trust Plan Support Agreement also requires that Settling Investors support the Ally Settlement Agreement and direct the Trustee to do the same.

A key component of the RMBS Trust Plan Support Agreement is a settlement agreement between the Debtors and the Settling Investors (the “RMBS Trust Settlement Agreement”). Under the terms of the RMBS Trust Settlement Agreement, each Securitization that agrees to the terms of the RMBS Trust Settlement Agreement will share in up to \$8.7 billion of an allowed general unsecured claim against the Debtors, to be allocated amongst the participating Securitizations. Each Securitization for whom the applicable securitization trustee accepts the terms of the RMBS Trust Settlement Agreement, agrees to support the Debtors’ restructuring and asset sale efforts, and grants a full release of all claims and causes of action against the Debtors of any kind, including those arising from the Debtors’ mortgage origination and servicing business and any claims arising from the transaction documents relating to that Securitization (with such release to include, but not be limited to, mortgage loan repurchase claims).

To date, the Trustee has not been provided with any direction from Settling Investors consistent with the Transaction documents with respect to the RMBS Trust Plan Support Agreement or RMBS Trust Settlement Agreement.

Pursuant to the RMBS Trust Plan Support Agreement, the Debtors are required to file a motion with the Bankruptcy Court seeking approval of the RMBS Trust Settlement Agreement by May 28, 2012, and the Debtors must obtain an order from the Bankruptcy Court approving the RMBS Trust Settlement Agreement by July 13, 2012. The Debtors must also have offered all Securitizations not already participating in the RMBS Trust Settlement Agreement a settlement on the same economic terms as the agreement. According to the terms of the RMBS Trust Settlement Agreement, those Securitizations that are extended an offer to participate will have until June 28, 2012 to accept the terms of the agreement, and those Securitizations that do not accept the agreement will not be entitled to share in the up to \$8.7 billion allowed general unsecured claim provided for therein.

#### **Proposed Sale of Debtors’ Mortgage Origination and Servicing Business**

The Debtors have filed a motion to approve bidding procedures for the sale of substantially all of the Debtors’ assets (the “Bidding Procedures Motion”). The Debtors propose to sell their mortgage origination and servicing businesses, with Nationstar Mortgage LLC (“Nationstar”) serving as a “stalking horse” bidder in the amount of approximately \$2.3 billion, subject to higher and better offers. The Debtors have represented that the sale would include the servicing related to substantially all of its securitizations and may include the Transaction.
